HOW YOU CAN HELP

There are numerous ways you can help the Tompkins County Public Library. No matter which way you choose, your involvement makes a difference. Gifts to the Tompkins County Public Library Foundation are tax-deductible to the full extent allowed by the Internal Revenue Code.

Contributions to the library can be either restricted or unrestricted.

Unrestricted gifts provide the library maximum flexibility in meeting needs. A restricted gift is one that must be used solely for the purpose specified by the donor. Donors wishing to restrict a gift for a specific purpose should make their intentions clear when making a charitable contribution.

Donors wishing to contribute to the library can do so in a number of ways — you can give **cash**, write a **check**, or **charge** on a credit card; you can donate **gifts of stock** or other **appreciated assets**; or you can contribute **in-kind gifts** such as professional services or supplies and equipment.

SPECIAL GIVING OPPORTUNITIES

Gifts in Honor and Memory

Gifts made to the library in memory of special persons or in honor of important occasions are lasting tributes that benefit others. Your generosity makes possible the purchase of books or other tangible items onto which book plates are placed to commemorate the person or occasion.

Book Funds

You may choose to set up an endowed book fund, a yearly book fund or a one-time book fund. With a minimum gift of \$5,000, you can establish an endowment that will fund book purchases in perpetuity. A yearly book fund of any amount can ensure a particular subject or type of book is bought, or can simply augment the collection development efforts. A one-time book fund to which many people can contribute is an excellent way to mark an event such as a retirement, birthday or wedding.

Planned Gifts

Planned giving is a creative way to give through which you can support TCPL and receive financial benefits. This type of charitable giving, which involves contributing your assets through wills and estate plans, often allows you to increase income, avoid taxes, and make a more generous gift to the Library Foundation than you may have thought possible.

Bequests

Of all the gifts you give, a bequest (a gift you designate in your will) may be the most meaningful one you'll ever make. Through a bequest, you can remember loved ones in special ways, perpetuate your values and help shape the future of the Tompkins County Public Library. We hope you'll tell us when you have named Tompkins County Public Library Foundation in your will. We would very much like the opportunity to thank you for your generosity.

Sponsorship Opportunities

The library is pleased to offer sponsorship opportunities through which you can support the library and its programs while maximizing the reach and effectiveness of your philanthropic dollars. Sponsorship is a progressive and wonderful way to show your commitment to education, enrichment and lifelong learning.

For information on how to make a gift, please contact Suzanne Smith Jablonski, Executive Director of the Tompkins County Public Library Foundation at (607) 272-4557 extension 231 or by e-mail at ssmithjablonski@tcpl.org
