**Welcome to The Tompkins  
County Public Library!**

**The Library belongs everyone!**

**The Library has  
something for everyone!  
We have books on all subjects and  
so much more!**

**Can you think of something the  
library has for you?**

**Here is the Library's entrance.  
Come on, let's go inside!**

Don't forget to return your books so they can be enjoyed by another child!

What do You need to borrow items?

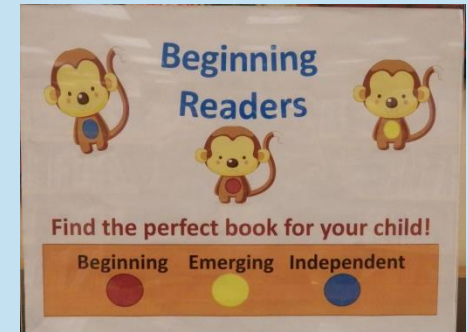

A library card!

**This is the Circulation Desk.  
This is where you borrow and  
return books.**

**This is the children's area. There are lots of things for you in here! Let's take a look!**

**Beginning Readers are great if you're learning to read.**

**The Library has thousands of beautiful picture books arranged in alphabetical order.**

**We also have books about true things, which are called non-fiction books.**

**Do you have a favorite type of book?**

**The Library has items in our Sensory Station to help kids feel more comfortable while visiting.**

**We have ear muffs to block noise, fidgets and lap pads.**

**We also have a special machine that allows you to checkout items all by yourself.**

# Librarians

You can find Librarians at the information desk.

**Librarians work in the Library to help answer your questions.**

**They can help you find a book, use the computer and much more. What question would you ask?**

**Librarians also love doing storytimes. One of the many fun activities we do in this room!**

**After storytime, kids exit through the little door that's just their size.**

# **What do you like about Your Library?**

## **We look forward to your visit!**
