

# We Don't Need to Be the Same

We don't need to **be** the same

To **love** each other - **respect** one another

We don't need to **look** the same

To **love** each other - to **learn** together

We don't need to **speak** the same  
language

To **love** each other - to **play** together

We don't need to be the same!

To **love**, **respect**, **learn**, and **play**  
Together!
