CALL TO ORDER

APPROVAL OF AGENDA DOC 24-08

A MOTION was made by S. Wong and seconded by B. Taetzsch to approve the agenda with the addition of Bylaw discussion. Approved unanimously.

PUBLIC COMMENTS

Rebecca Costello – referenced a prior meeting, noting several people expressed concerns with the weeding and the presence of a video game system. In sum, she expressed her love for the library, but her disappointment in a feeling of “us vs. them.” People expressing displeasure are not anti-progress, but expressing their views of how they want to use the library.

APPROVAL OF JANUARY 23, 2024, MINUTES DOC 24-06

A MOTION was made by J. Moore and seconded by S. Wong to approve the minutes. Approved unanimously.

APPROVAL OF THE BILLS

I, Treasurer, Blixy Taetzsch, in keeping with New York State Education Law, certify that I have reviewed payroll #3 dated 2/8/24 and #4 dated 2/22/24 totaling $126,750.57. I have reviewed all vouchers presented for payment, and that all disbursements are within the approved operating budget of the library, and therefore recommend that the Board of Trustees approve for payment February 2024 bills in the amount of $219,864.49 as listed in Abstracts #4, #5 and #6.

2023 YEAR END BUDGET AMENDMENTS DOC 24-07

ACCEPTANCE OF THE NYS ANNUAL REPORT DOC 24-09
Accepted unanimously.

NOMINATING COMMITTEE REPORT
Lis Chabot recommended Melisa Sidle be reappointed to a second, three-year term. Chabot also recommended the following for a first, three-year term; Mimi Townsend, Kathy Weinberg and Darrel Long. Approved unanimously.

BYLAW DISCUSSION
M. Sidle led an in-depth discussion regarding the bylaws and the changes the county recommended. A brief discussion ensued.

DIRECTOR’S REPORT
Director Tabor announced we received an Opioid Settlement Grant of $37,000 for educational resources in our collection, related programs Narcan training for the public and a vending machine for Narcan, fentanyl test strips and menstrual supplies. We are the frontline, unfortunately we have seen our fourth overdose in the last six months. Tabor stated we review Narcan, Active Shooter training and review our mission at our monthly staff meetings.

LIAISON REPORTS
Foundation – Laura Larson, TCPL Foundation Board President spoke on behalf of Kerry Barners, TCPL Foundation Executive Director. Kerry and Leslie visited Kendal on Jan. 26th and Leslie was a bona fide hit. Kerry received this note from a donor living at Kendal:

“Thanks so much for your friendly note.

We were sorry to miss Leslie Tabor’s talk on January 26. However, we discovered that it is available to watch on channel 1340, our Kendal TV channel. We watched Leslie’s interesting and informative talk twice. We plan to learn how to use Libby, Hoopla, and Kanopy.

Libraries are important. We are happy to have our small Kendal library. In addition, we are thrilled to have TCPL and all the resources it makes available.

The TCPL Foundation is important too. We hope you have a great year in 2024 for library activities and fundraising.”

The Foundation Events Committee met for the first time, did some brainstorming, and are putting plans in place for our first Silent Reading Party to be held in April at Argos Warehouse. More details to come!

Dominick Recckio, Foundation Board member and County Communications Director, met with Leslie, Kerry, Susanna, Department Heads, and Mary to discuss Library communications. On his recommendation, Kerry attended the monthly Communications Roundtable that Dominick hosts
for County staff in communications roles. She will continue to attend until a library staff person is selected to attend.

The Foundation Board held a successful retreat on Friday, Feb. 9 that delved into organizational history, roles, relationships, strategic planning, and mission statement rethinking.

Kerry successfully reconnected with a major donor who had not been communicated with for some time (notes to the donor were returned “unable to deliver” and there was no contact info outside of a mailing address on record for him.) After a lively and enjoyable video chat, the Foundation and the donor are looking forward to new ways to stay in touch and share the impact his gift has had on the Library and community. Another major donor is scheduled to join Kerry, Leslie, and Library staff to discuss the impact of their fund and future gift restrictions.

The Finance Committee met with our new representative at Tompkins Financial to discuss our investment strategy.

The Rosen Fund grant for Summer Reading Programs has been submitted. We now cross our fingers and wait for good news.

As suggested by a long-time donor and former Foundation board member, Kerry and Susanna are crafting an op/ed piece on libraries that will be signed by Foundation Board President Laura Larson and Library Trustees President Melisa Sidle.

The Foundation’s audit is progressing quickly and in its final stages. Working with Kurt Behrenfeld has been a pleasure.

Friends – The friends are working on getting Narcan training. Weinberg said they are looking to expand their services to getting foreign language books to teachers or patrons who would enjoy books in their native languages and expand beyond Tompkins County not-for-profits. We are working on finding someone to manage their social media. The friends updated their tote bags, which you can purchase at the circulation desk.

EXECUTIVE SESSION

A MOTION was made by S. Wong and seconded by B. Taetzsch to adjourn to Executive Session at 5:27 p.m. to discuss a personnel matter and board orientation.

There being no further business, a MOTION was made by B. Taetzsch and seconded by K. Weinberg to end Executive Session at 6:07 p.m. Approved unanimously.

she attended SLJ’s Middle Grade Magic to support her collection responsibilities and readers’ advisory, and recommends new books coming out by Lisa Yee, Dan Santat, Kimberly Brubaker Bradley, Ann and Ben Brashares, Gayle Foreman, Katherine Applegate.

**Kai’s** programs remain well attended, including Sit Stay Read, which saw a record of 60 participants during the ICSD Winter Break. She and Cassie attended the Children’s Summer Reading Program workshop presented by the state library. In addition, she is serving on the first-round interview panel for our Librarian I openings.

**Woody** led their first Saturday Family Storytime, reading books and teaching fingerplay rhymes. They also spent time tagging and linking the collection for RFID implementation, and reviewed the YS AV circulation to help inform their ordering and marketing strategies.

**Sasha** reports strong attendance right out of the gate of 25 humans at the first monthly Rainbow Family Friday. One patron told him that it was very refreshing to get to talk to other parents of LGBTQ+ children, and that next month's meeting couldn't come soon enough! In addition, the Teen Writing Workshop is fully subscribed at 8 attendees, and passive programming via the Teen Center whiteboards has been sparking conversation and many creative drawings. This month, prompts included the best pie flavor in honor of Pi Day, draw your favorite animal combined with your favorite food, and what do you like best about the library.

**Kelly** organized Mythaca Tiny Golf during the ICSD Winter Break, working with a volunteer to have 36 attendees putt-putt their way to fun. She is also preparing to present on Sensory Storytimes at the in-person Summer Reading FLLS meeting.
Joah’s curriculum for the current iteration of Robotics Club was featured on Instructables.com and has been attracting 50 attendees at each session so far. In addition, he presented to member FLLS libraries and other libraries in the state about coding and robotics in Teen Programming.

Kat began scheduling Summer Reading visits to schools, toured the Friends of the Library warehouse with Leslie, Jeremy, Kate, and Liz Chabot, and attended professional development session Team Building for Leaders, streamlined program reporting mechanisms, and dressed up like a banana.

Most recently, all Circulation Assistant volunteers are receiving training and up-to-date information to share with patrons regarding procedural changes with the service desks and self-checkout locations, as well as other programs and services offered, and where in the library these programs and services can be found. The pride they take in their strengthened role in serving the public has been tangible. Earlier in March, we finished the volunteer portion of RFID sticker placement—volunteers had been assigned to place them on all audiovisual materials. A special thanks to GIAC, the APO fraternity, and the Tompkins County Mental Health PROS program for finding us groups of volunteers who had time slots dedicated to helping us finish tagging large portions of the collection. These collaborations helped us work through tagging our collection much more efficiently, and strengthening community ties is a great bonus.

Finance and Personnel Committee
3/19/24

Attending in person: Jason, Melisa, Lis, Blixy, Leslie

Call to order 4:08

- February monthly statements: Blixy reviewed the financial statements with the committee. We discussed where we are so far with revenues and expenses – things seem to be on track so far. In review of the balance sheet, we discussed again the need for fund balance policy. We think this will protect the County, and also justify what we need to safeguard the library.

- State AFR Review: Blixy talked about the AFR filing and requirements – the Treasurer is the CFO/certifying officer, and the Business Manager is the preparer.

- State Annual Report update: Leslie reported that it is now submitted – approved by the board last month.

- 2023 Audit update: Leslie met with auditors to discuss timing of meetings with auditors – either April or May F&P meeting date.

- Preliminary discussion/planning re 2025 County Budget Ask: The way we build our budget has been influenced by the categories the annual report has required. So, our line-by-line budget could be simplified based on current requirements rather using historical breakdowns that have been required in the annual report.

  Leslie described the budget process as being in two big buckets – the structural part with the County data input; the presentation to the County.

  Strategy for how we would approach the budget with positions we need. Leslie would like to add a communications person and an HR person. What might our strategy be with asking for an OTR? We will also be in negotiations this year, so need to be aware of how that might impact our budget process.

- Update on Business Manager Search: Blixy and Leslie provided an update on the search; we have now hired Insero as a professional search firm.

- Staffing update: Library I search is underway. After March 31 we will have our scored list for the search committee. Leslie shared that we train new folks as generalists, but they are asked preference of what department they would like to work in during the search process.

- Move into exec session at 5:15 to discuss personnel matters.
- Adjourn exec session at 5:30
- Adjourn meeting at 5:35
TCPL Library Services and Policy Committee  
March 7, 2024 4pm

Attending: Lis Chabot, Jeremy Jordan, Mary McKeon, Liam Murphy, Nina Scholtz, Leslie Tabor, Shelley Wong

Nina Scholtz was renominated by the Committee to be Chair for the coming year.

We approved an agenda as follows:
1) Overview of the committee’s business
2) Discussion of goals for upcoming meetings
3) Review of the proposed Anti-Harassment policy

Given the number of new members, there was a general discussion of how the Committee accomplishes its business. In general, policies are generated by staff and proposed to this Committee. Committee members review these proposals and come to meetings prepared to offer feedback. Meetings are generally run with a sufficient level of informality to promote a general discussion.

In the coming year, we will be sure to post an agenda for each meeting at least a week before our meeting (the next meeting being on April 4, we will post an agenda by March 28).

In discussion, we discussed there are three projects for this Committee to accomplish at this time: 1) a review of the Anti-Harassment Policy; 2) a review of the Meeting Spaces Policy; and, 3) checking for “dead links” on the TCPL.org website.

We reviewed a proposed Anti-Harassment policy as proposed by staff. The Committee expressed overall appreciation for the work shown in the draft and acknowledged the importance of focusing on this topic given the importance of making the Library a welcoming space for the community as well as a safe workspace. The Committee believed the draft needed further work and refinement, particularly as to the following areas:
- The need to coordinate the proposed policy with both the Library’s Code of Conduct as well as its Sexual Harassment Prevention Policy, bearing in mind that common definitions should be used across those policies whenever possible to be both transparent and consistent
- The need to be clearer whether the Anti-Harassment Policy would apply only to those who work in and/or for TCPL or whether it would also apply to the public
- The need to be clearer on the line between the use of the Code of Conduct or this policy
- The need to provide clarity concerning appropriate reporting of complaints

The Committee also offered a number of suggested line-edits to the proposal for staff to consider in preparing a revision.

There being no further business, the Committee adjourned at approximately 5pm.

Submitted,
Liam G.B. Murphy, Secretary
• **CROC Table-Setting (Leslie)**
  - Board Committees where work gets done (vs. Board Meetings which are lined up neatly with pre-work, votes)
  - CROC is an executive committee – empowered to take action
  - Board - “Noses in, hands off” - members as advocates, surrogates
  - CROC – rough history; desire to remake the committee to be fun, visionary, and action-oriented
  - FUTURE THINKING – not reacting, thinking six, nine months ahead. Move forward, dream big!
  - Cycle of the Library like seasons of the year, relate to the community plan, outreach plan, far in advance
  - Marli considering role as Chair
  - Technically follow Robert’s Rules, but does not need to be strict
  - “Activated” committee – here’s how we’re supporting the Community and here’s how the staff can do it. Start small, feel positive, build muscles, sky’s the limit.
  - **Discussion:**
    - When did CROC begin and do we have a mission statement?
      - Began around the time of the Capital Campaign, Board Bylaws, “atrophied” after the capital campaign was done
    - Do we want a mission statement, vision statement?
      - “serves the community and supports the staff in doing so”
    - Needs Assessment?
    - What is outreach? How do we define it?

• **Homework Brainstorm / Discussion Questions (Group)**
  - **1 to 3 actions to increase awareness of the Library Mission, programs, and services**
    - Needs assessment –
      - Target NONUSER – who may look like people around CROC table – busy!
      - Market segmentation areas
      - Census data – languages English, Spanish, Mandarin/Cantonese - reach those groups
    - Leslie “on the road” visiting community partners – additional staff would love to attend
    - Pre-covid had weekly radio time on WHCU
    - Podcast – one cool thing in the Library
    - ASL services, training; Baby & Toddler Storytime as an entry point
    - Newsletter review, consider additional, targeted newsletters? Point raised that newsletter is an investment to receive, read vs. Impactful photo ads, social media posts (ex. Picture on the bus rolling along)
    - Cornell Basketball game – ads there! Those are our nonusers.
  - **1 to 3 community partners you think we should connect with**
    - Mimi part of planning committee with DIA for AAPI – Mental Health services for AAPI community, associated stigma (May 4 is event date)
- Chamber of Commerce
- Tompkins County
- TCAT
- Better understand what we’re already doing
- “Firehose” of partnerships/groups that reach out, Library saying yes to everything vs. Missional, sustainable, selective, proactive process
  - 1 to 3 programs or partnerships you think may have run their course
  - 1 to 3 actions you think staff AND Trustees should be doing every day/month/week/quarter/year to enhance the reputation of TCPL
    - Familiarize yourself with policy, the events calendar, so you can represent TCPL accurately
    - Share events on social media, bring friends to events
  - 1 to 3 DREAM library events/programs/services
    - Social worker in the library / REACH (Shelby raised the possibility in Circ meeting of using lobby space to house social services)
    - Big Author Community Read
    - Bus stop sidewalk – make it more inviting, spaces to sit, plants, more welcoming place to exist, visible from North Reading Room
    - Remote Workers – Library as a space to get a break from home office, meet other remote workers
- **Brass Tacks**
  - Completion & Celebration of RFID!
    - Will happen during National Library Week
    - Shirts!
    - Newsletter will celebrate RFID, “Buddy System” (staff paired on desks for one-stop shopping)
    - Press release
    - Social media takeovers?
    - Promotional videos – using the self check, ease, testimonials. Puppets? Show it can be easy to use
    - “Help Is Here!” for patrons who want a person, not a machine.
    - Amping up volunteers to be more docent like
    - Increased staff roving (new roving desk)
  - Summer Reading
    - Trustees, staff, aware and present
  - Communication - “If there’s a void, tell each other that!”
- **ACTION ITEMS**
  - Mission Statement
  - Getting ready for RFID & Celebrating!
  - Secretary – Kate, will follow up with Leslie about any expectations beyond minutes
  - Plus / Delta
    - Plus – Friendly, comfortable group of angels and heroes
    - Plus – Homework was helpful so folks could come ready
    - Delta – Leslie's delta is that she would like for Marli to agree to Chair
