NOTES ON THE OBITUARY INDEX

The index consists of an alphabetical list of people whose obituaries were published in the *Ithaca Journal* from January 1, 1980 through December 31, 1989. The list is given as follows: last name, given name(s), date(s) and page numbers of the death notices and obituaries. Nicknames are given in parentheses. Some news items about area-related deaths are also included. Unless the only notice was a news item, the first listing is the first death notice. If there is a discrepancy between the first and a later listing, the later one is normally assumed to be correct.

Since October 1, 1989 the *Ithaca Journal* has published death notices and separate paid obituaries. When both a death notice and an obituary appear for a person, both are listed.

Area communities cited in the obituaries are listed on the following page. Not all the obituaries are from these communities, however; they include many for former residents of the area who had moved elsewhere.

The following titles are given in parentheses where appropriate:

(Capt.)	Captain
(Col.)	Colonel
(Dr.)	Medical doctor
(Fr.)	Father
(Lance Cpl.)	Lance Corporal
(Lt. Col.)	Lieutenant Colonel
(Maj.)	Major
(Petty Off.)	Petty Officer
(Rev.)	Reverend
(Sgt.)	Sergeant
(Sr.)	Sister

Not included are (Mr.), (Mrs.), (Prof.), (J.D.), or any doctor's degrees other than medical doctors.

During the ten-year period a total of 139 infants (77 boys, 62 girls) died before their first birthday, and 51 people (12 men and 39 women) reached the age of 100 or more. Alice M. Arden and Katherine R. Wager died at 106, Nellie L. Fogerty at 107 and Myrtle Fendall Naylor at 111. The age at death was given for 11,270 individuals; for 405 others it was not. Average and median ages at death for those whose age was given were as follows:

	Men	Women	Overall
Average	67.3	74.0	70.4
Median	71	78	74

While every effort has been made to make this Index accurately represent the information in the *Ithaca Journal*, the authors cannot guarantee that the Index is error-free. They assume no responsibility for inaccuracies in the original material.
