NOTES ON THE OBITUARY INDEX

The index consists of an alphabetical list of people whose obituaries were published in the Ithaca Journal during 1985, given as follows: last name, given name(s), date(s) and page numbers of the obituary notices. Nicknames are given in parentheses. Some news items about area-related deaths are also included.

The following titles are given in parentheses where appropriate:

(COL)	Colonel
(DR)	Medical doctor
(DVM)	Veterinarian
(REV)	Reverend
(STAFF SGT)	Staff sergeant

Not included are (MR), (MRS) (except where only the husband's name is given), (PROF), (JD) or any doctor's degrees other than medical or veterinary doctors.

Area communities cited in the obituaries are listed on the following page. Following the list of communities is some statistical information:

(a) The number of deaths at each age; male, female and total. (If the age is not listed, there were no deaths at that age.)

(b) The median ages at death, the means, and the standard deviations; male, female, and overall. Also included are the national average ages at death for 1983.

Obituaries for seven centenarians were published in 1985. They were:

Michael Dooley - 100
Gertrude Snow Griffiths - 100
Agnethe M. Heckman - 100
Belle C. Matthews - 100
Bertha E. Taber - 100
Clara Allen Kurtz - 101
Lina E. Teeter - 102

While every effort has been made to make this Index accurately represent the information in the Ithaca Journal, the authors cannot guarantee that the Index is error-free. They assume no responsibility for inaccuracies in the original material.
