NOTES ON THE OBITUARY INDEX

The index consists of an alphabetical list of people whose obituaries were published in the Ithaca Journal during 1986, given as follows: last name, given name(s), date(s) and page numbers of the obituary notices. Nicknames are given in parentheses. Some news items about area-related deaths are also included. Unless the only notice was a news item, the first listing is the first obituary notice (even though the news item may have appeared earlier).

The following titles are given in parentheses where appropriate:

(DR)	Medical doctor
(LANCE CPL)	Lance corporal
(LT COL)	Lieutenant colonel
(MASTER SGT)	Master sergeant
(REV)	Reverend

Not included are (MR), (MRS), (PROF), (JD) or any doctor's degrees other than medical doctors.

Area communities cited in the obituaries are listed on the following page. Following the list of communities is some statistical information:

(a) The number of deaths at each age; male, female and total. (If the age is not listed, there were no deaths at that age.)

(b) The median ages at death, the means, and the standard deviations; male, female, and overall. Also included are the national average ages at death for 1983.

Obituaries for three centenarians were published in 1986. They were:

Lydia Rapelye Hines Biggs - 100
Jennie G. Hunt - 100
Addie Cornelia Strawway - 104

While every effort has been made to make this Index accurately represent the information in the Ithaca Journal, the authors cannot guarantee that the Index is error-free. They assume no responsibility for inaccuracies in the original material.
