## NOTES ON THE OBITUARY INDEX

The index consists of an alphabetical list of people whose obituaries were published in the Ithaca Journal during 1987, given as follows: last name, given name(s), date(s) and page numbers of the obituary notices. Nicknames are given in parentheses. Some news items about area-related deaths are also included. Unless the only notice was a news item, the first listing is the first obituary notice (even though the news item may have appeared earlier).

The following titles are given in parentheses where appropriate:

|              |                |
|--------------|----------------|
| (Capt.)      | Captain        |
| (Dr.)        | Medical doctor |
| (Lance Cpl.) | Lance corporal |
| (Maj.)       | Major          |
| (Petty Off.) | Petty Officer  |
| (Rev.)       | Reverend       |
| (Sr.)        | Sister         |

Not included are (Mr.), (Mrs.), (Prof.), (J.D.) or any doctor's degrees other than medical doctors.

Area communities cited in the obituaries are listed on the following page. Following the list of communities is some statistical information:

(a) The number of deaths at each age; male, female and total. (If the age is not listed, there were no deaths at that age.)

(b) The median and average ages at death; male, female, and overall.

Obituaries for three centenarians were published in 1987. They were:

Robinson, Elsie Williams - 100  
Comer, Howard M. - 103  
Naylor, Myrtle Fendall - 111

While every effort has been made to make this Index accurately represent the information in the Ithaca Journal, the authors cannot guarantee that the Index is error-free. They assume no responsibility for inaccuracies in the original material.
