NOTES ON THE OBITUARY INDEX

The index consists of an alphabetical list of people whose obituaries were published in the *Ithaca Journal* during 1989, given as follows: last name, given name(s), date(s) and page numbers of the obituary notices. Nicknames are given in parentheses. Some news items about area-related deaths are also included. Unless the only notice was a news item, the first listing is the first obituary notice (even though the news item may have appeared earlier).

Beginning October 1, 1989, the *Ithaca Journal* instituted a policy of publishing death notices and separate paid obituaries. When both a death notice and an obituary appear for a given person, both are listed in the index.

The following titles are given in parentheses where appropriate:

(Dr.)	Medical doctor
(Fr.)	Father
(Rev.)	Reverend
(Sr.)	Sister

Not included are (Mr.), (Mrs.), (Prof.), (J.D.) or any doctor's degrees other than medical doctors.

Area communities cited in the obituaries are listed on the following page. Following the list of communities is some statistical information:

(a) The number of deaths at each age: male, female and total. (If the age is not listed, there were no deaths at that age.)

(b) The median and average ages at death: male, female, and overall.

Obituaries for seven centenarians were published in 1989. They were:

Robert A Blackman -	100
Vera L. Coggshall -	100
Ellen L. Bower -	101
Maude Ann Byrd -	103
Lucy L. Stephens -	104
Katherine R. Wager -	106
Nellie L. Fogerty -	107

While every effort has been made to make this Index accurately represent the information in the *Ithaca Journal*, the authors cannot guarantee that the Index is error-free. They assume no responsibility for inaccuracies in the original material.
