NOTES ON THE OBITUARY INDEX

This index consists of an alphabetical list of people whose obituaries were published in the *Ithaca Journal* during the period 1990 through 1999. The entries are given as follows: last name, given name(s), gender, age at death, date(s) of the Journal entries, and page numbers of the death notices and obituaries. Nicknames are given in quotation marks, and maiden names in parentheses. The dates given under "Added Entries," if unmarked, are for the same year as the main entry; if for a later year the year is indicated.

Some news items about area-related deaths are also included. Unless the only notice was a news item, the first listing is the first death notice. "Card of thanks" and "in memoriam" entries are included only if they provide useful genealogical information. Since October 1, 1989 the *Ithaca Journal* has published death notices and separate paid obituaries. When both a death notice and an obituary appear for a person, both are listed.

Various titles such as Dr., Rev., Hon., etc. are given in parentheses where appropriate. Not included are (Mr.), (Mrs.), (Prof.), (J.D.), or any doctor's degrees other than medical doctors. Area communities cited in the obituaries are listed on the following page.

Ages at death were not given for 333 of the 11,447 individuals listed (5757 men, 5689 women, and one infant for whom the gender was not given). For the others the average age at death increased during the decade and was greater than for the 1980s, as shown in the following table.

<u>Period</u>	<u>Men</u>	<u>Women</u>	<u>Overall</u>
1990	66.4	73.5	69.7
1999	71.0	76.5	74.0
1990-1999	68.3	75.3	71.8
1980-1989	67.3	74.0	70.4

Obituaries for 100 centenarians, 18 men and 82 women, were published during the period. Of these 25 died at age 100. The ten women who reached the age of 105 or more were:

<u>Name</u>	<u>Age</u>
Blanche H. Cross	105
Ruth (Spencer) Cate	105
Edna Ditmars Johnson	105
Nita May Marion	105
Mary Cecelia Frank	106
Mabel Laura McElheny	106
Mary Katherine McGraw	106
Grace C. DoBell	107
Carolyn S. Facer	107
Dora Earl Decker	110

While every effort has been made to make this Index accurately represent the information in the *Ithaca Journal*, the authors cannot guarantee that the Index is error-free. They assume no responsibility for inaccuracies in the original material.
