NOTES ON THE OBITUARY INDEX

The index consists of an alphabetical list of people whose obituaries were published in the *Ithaca Journal* during 1991, given as follows: last name, given name(s), date(s) and page numbers of the death notices and obituaries. Nicknames are given in parentheses. Some news items about area-related deaths are also included. Unless the only notice was a news item, the first listing is the first death notice.

Beginning October 1, 1989, the *Ithaca Journal* began publishing death notices and separate paid obituaries. When both a death notice and an obituary appear for a person, both are listed.

The following titles are given in parentheses where appropriate:

(Capt. USN (Ret.))	Captain, United States Navy, retired
(Dr.)	Medical doctor
(Rev.)	Reverend
(T. Sgt.)	Technical Sargeant

Not included are (Mr.), (Mrs.), (Prof.), (J.D.), or any doctor's degrees other than medical doctors.

Area communities cited in the obituaries are listed on the following page. Following the list of communities is some statistical information:

(a) The number of deaths at each age: male, female and total. (If the age is not listed, there were no deaths at that age.)

(b) The median and average ages at death: male, female, and overall.

Obituaries for eight centenarians were published in 1991. They were:

Philomena Campagnolo	100
Albert H. Best	101
Benjamin Harrison (B.H.) Duddleston	101
Georgia Tanner Moore	101
Lola W. Ginnever	102
John Z. Michael	102
Genevieve Brainard	104
Clara E. Grover Treat	104

While every effort has been made to make this Index accurately represent the information in the *Ithaca Journal*, the authors cannot guarantee that the Index is error-free. They assume no responsibility for inaccuracies in the original material.
