NOTES ON THE OBITUARY INDEX

The index consists of an alphabetical list of people whose obituaries were published in the *Ithaca Journal* during 1994, given as follows: last name, given name(s), date(s) and page numbers of the death notices and obituaries. Nicknames are given in parentheses. Some news items about area-related deaths are also included. Unless the only notice was a news item, the first listing is the first death notice. "Card of thanks" and "In Memoriam" entries are included only if they provide useful genealogical information. Since October 1, 1989 the *Ithaca Journal* has published death notices and separate paid obituaries. When both a death notice and an obituary appear for a person, both are listed.

The following titles are given in parentheses where appropriate:

(Dr.)	Medical doctor
(Hon.)	Honorable
(Lance Cpl.)	Lance corporal
(Lt. Col.(Ret.))	Lieutenant colonel (retired)
(Rev.)	Reverend

Not included are (Mr.), (Mrs.), (Prof.), (J.D.), or any doctor's degrees other than medical doctors.

Area communities cited in the obituaries are listed on the following page. Following the list of communities is some statistical information: (a) The number of deaths at each age: male, female and total. (If the age is not listed, there were no deaths at that age.) All children who died before their first birthday are listed at age 0. (b) The median and average ages at death: male, female, and overall.

Obituaries for twelve centenarians were published in 1994. They were:
