SCIENCE TRIUMPHANT !

A NEW ERA BEGUN.

Medicines Without Intoxication.

\$10,000 expended in seven years in perfecting a process by which Medicines can be prepared in liquid form without Alcohol, by

DR. T. K. HARDMAN,

PRACTICAL CHEMIST AND PHARMACEUTIST,

SYRACUSE, N. Y.

Medicines can be, and are, made without Alcohol as a solvent, by a scientific process, that are safer, more reliable, and have a wider range in use, than made with Alcohol, and no danger of making druggards by their use. *This is no empty boast, nor empirical brag, but matter of fact.* They have been tested by thousands, and give entire satisfaction. We manufacture three leading remedies: DR. HARDMAN'S AMBER DIGESTINE, ELIXIR OF CAMPHOR, & COUGH CURE. They contain no Alcohol in any form. They are made from ROOTS, BARKS, SEEDS, GUMS, RESINS AND ESSENTIAL OILS.

The curative properties are held in solution in water, and by a vital law of the system are absorbed and conveyed to the seat of pain and disorder at once. Let the interested and suffering call on our agents for a circular.
