Pratt Private Hospital, Sanitarium

and Dispensary.

201-203 STATE STREET, ELMIRA, N. Y.

THIS INSTITUTION makes a specialty of all chronic diseases and also takes confinement cases. All forms of disease peculiar to women and men have been cured. Both medical and surgical means are employed. Medicine, electricity, water and air are first used; these failing, the latest surgical procedures are adopted and the strictest antiseptic methods enforced. By this manner of treatment some of the most hopeless cases can be permanently cured.

The liquor disease, morphine, cocaine and tobacco habits have been treated and the success has been beyond the expectations of the patients. A large number have given up these habits after a long continued use. The "No Lapse" treatment is used in every case.

Chronic diseases of the kidneys are treated by a new method and the cured cases speak for themselves. Pratt's Diabetene and Nephretene are used in Diabetes and Brights Disease.

Cancers and other growths are treated by a new paste, Xray light and the injection method. In some cases removal by surgical means and afterwards one or al. of the other methods employed; in this way cancers and other growths can be eradicated and in but few cases of glandular involvement ever return. Superfluous hair is removed by a new electrical method.

Prostatic enlargement and stricture of the urethra are treated by new electrical methods and if necessary by painless surgery.

Some chronic diseases of the lungs, heart, stomach, intestines and liver can be cured at home. Medicine can be sent from private dispensary and if necessary followed by treatment at the hospital. Pratt's Asthmatene can be sent by mail or express.

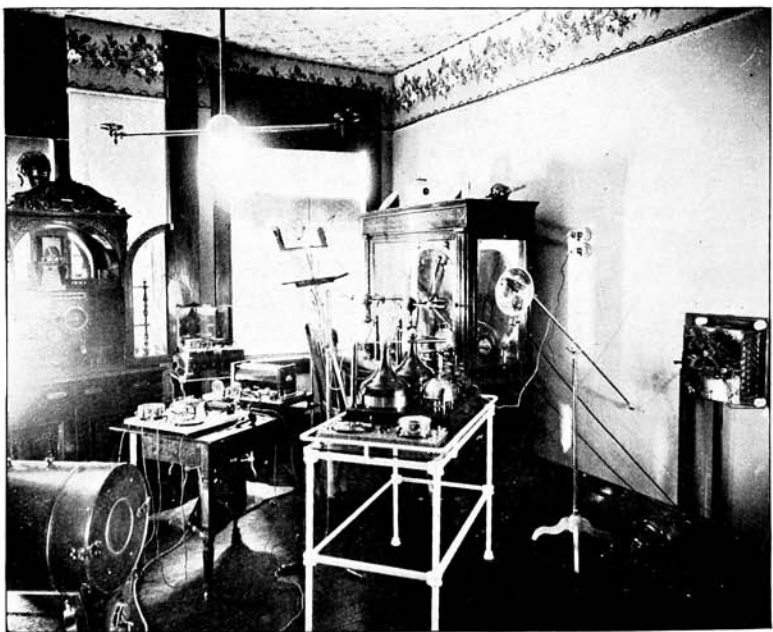

All confinements are rendered painless by a harmless method.

If you have any so called hopeless incurable disease, write to the hospital for information. Cases needing relaxation from business and rest are also received and their cases given the attention they require.

During the Summer Elmira is a good place for recreation. It has many parks and pleasant drives. Eldridge Park, Rorick's and Clark's Glen are in the suburbs. Trolley cars run to Watkins and Havana Glens. Elmira is situated on the lines of Erie, D., L. & W., Northern Central and Lehigh Valley Railroads. Hospital has roof garden for patients
