35 Years Experience

For nearly 23 years in our own studio in Ithaca, in which time we have made nearly 25 thousand different sittings. All of our experience is at your service.

Whatever your needs in the Photographic line, consult with us. Advice cheerfully given about Portraits of yourself, copies of old tintypes or old photos, crayons, etc.

How time changes folks. The baby you cuddle in your arms today will be going to school tomorrow. Some of our customers have a sitting of baby every birthday, others every six months. Some keep a Kodak story by using a Kodak. **We have always had splendid success with most children.** How long is it since you have had the whole family together? Why not have a re-union some day soon and bring them all to our Studio for a group Photograph.

We keep all kinds of photo supplies such as albums, photo frames, tripods, films, plates, etc. Our developing, printing and enlarging from films is the best because it is done by Professionals.
