Your City Directory

Do not say a name is not in the Directory because you cannot find it. You may not know the correct spelling under which it is listed.

Do not say a Church, Club, Association or Institution is not in the Directory because you cannot find it. Study the Index to Contents page—the second white page in the Directory and learn where to look.

Do not condemn the authenticity and completeness of YOUR City Directory without giving it a fair trial. Study it and learn its many valuable features with which you are not familiar. It is the greatest example of compiling and indexing out, to be found.
