**WE DIDN'T HAVE TO MAKE A
MAJOR PRODUCTION OUT OF IT...**

BUT WE DID!

Our new studio at 227 Linden Avenue is almost too much. 4,000 square feet of space for our staff to work in. BETTER production and recording equipment (we already had the best in town.) And the pleasant, friendly frame of mind that comes from working in spacious new surroundings. **WHY NOT GIVE US A CALL?** You can rent our machines, or you can rent us and our machines, and we'll put on a major production for you. It's just a little part of our effort to let people know what a nice place Ithaca is.

Ever think how much goes into publishing a city directory?

Contemplate ringing every doorbell in town . . . interviewing each resident, noting thousands of address changes, deaths, marriages, phone numbers, posting every new name by hand, debating every confliction, administering over a 60% change in the listings, proof-reading over 300,000 lines of copy, printing, binding, billing, distributing . . . and then six months later, starting all over again. Sometimes there isn't time to think.

We like our work. We're proud of it. We hope you like it too.
